PROFESSIONAL EXPERIENCE

NimbleRX (YC 15)

San Francisco, CA

Product Management Intern

June 2025 – Sep 2025

- **Launched *Mira AI*, a public-facing AI health assistant**, and rolled out to 100% of NimbleRx's patient base, **leveraging patient health data to deliver personalized responses** and drive stronger patient engagement, trust and retention
- **Built an AI-powered patient-facing chatbot**, partnering with ML engineers leveraging Hugging Face and BERT to deliver a product that **improved workflow efficiency by 40%** and **reduced support tickets by 50%**.
- **Designed and shipped a pharmacy-facing automation assistant**, conducting pharmacy stakeholder interviews and usability testing to streamline pharmacy operations, **lowering internal support requests by 35%**.
- **Led weekly sprints, A/B experiments, and product rituals across 60+ cross-functional stakeholders**, including engineers, designers, data scientists, sales, client success, and pharmacy implementation teams, ensuring alignment between technical execution, customer needs, and business goals.

KPMG

Vancouver, B.C

Product and Consulting Intern

May 2024 – Aug 2024

- Conducted interviews, analyzed documentation, and tested **15 enterprise performance controls to ensure regulatory compliance and mitigate operational risk** for a publicly traded mining firm
- Interviewed consultants to identify workflow inefficiencies and designed automation tools on SmartSheet using PowerShell, VBA, and Python, increasing workflow accuracy and **reducing delivery time by 30%**
- Upskilled internal consulting team and reduced manual task execution time on engagements from 15 hours to 5 hours per week by creating and leading workshops on topics such as prompt engineering, Microsoft Copilot and KPMG's in-house chatbot use cases

Canadian RegTech Association

Toronto, ON

Project Management Intern

May 2023 – Aug 2024

- Defined roadmap and led agile development of a nominations platform (Tailwind CSS, JavaScript) to support the Canadian RegTech Awards, **attracting 200+ attendees and 50+ companies**
- Constructed the GRC and EDI onboarding training program for 30+ clientele, **leading to a 25% growth in member firms**

Vitalis

Vancouver, B.C

ESG Analyst Intern

Jan 2023 – Aug 2023

- **Enhanced resilience to natural disasters by 30%** for middle-market businesses in Southeastern U.S retail and transportation sectors by producing 5 ESG risk mitigation reports analyzing the economic and structural consequences of hurricanes
- **Developed an ESG integration plan for Meta Equity Group** through the analysis of GRESB real estate and development benchmarks, value creation strategies, and best practices in sustainable real estate investing

ENTREPRENEURIAL AND LEADERSHIP EXPERIENCE

Aristotle Artificial Intelligence

Remote

Lead Instructor/Co-Founder

Jul 2024 – Present

- Enhanced operational productivity and streamlined real-time member support for 7+ executive level attendees at Prospera Credit Union through designing and leading a workshop on Microsoft Copilot use cases and retrieval augmented generation
- Augmented office and on-site operations for VC Management, a development and construction management firm, through creating and hosting a training session on ChatGPT, Perplexity AI, Autodesk AI and other similar AI tool use cases

W5 (Western Entrepreneurship Association)

London, ON

VP of Accelerator

May 2023 – Apr 2024
